70 x 70 x 4000		50/100 pcs/bdl
85 x 85 x 4000		50/100 pcs/bdl

Made to order or special sizes possible

Properties panels

light colour, pitch 40-52 mm, waterresistant glue, kiln dried 10% (+/- 2%), both sides sanded, individual plastic wrapping possible

SUPERIOR quality = result of 12 years adjusting.

We select the wood on colour, grain and quality. Only 20% of the wood is retained for the SUPERIOR quality. This makes our panels unique and totally different from what the market offers.

Properties Rubberwood

- easy to machine
- easy to stain : oak, cherry, walnut, wenge...
- very stable
- ecological wood, coming from plantations
- very interesting price

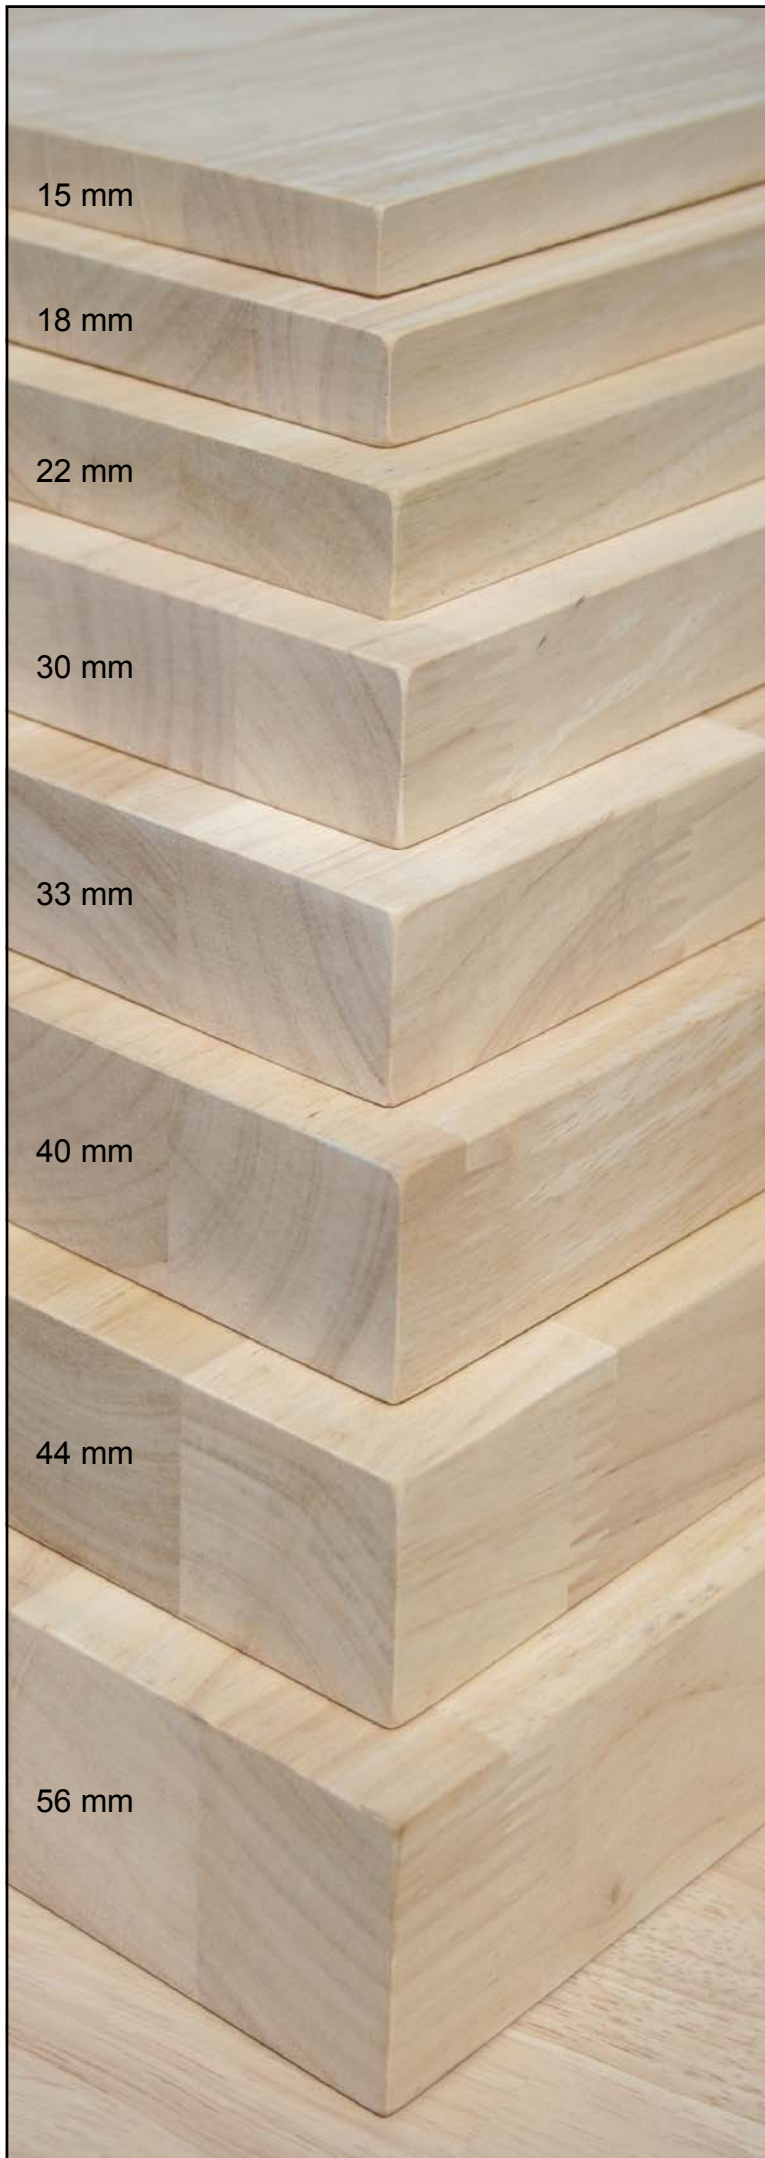

Most important : you receive a finished product!

- huge economy in labour cost and production cost : cutting, moulding, glueing, sanding, ... almost completely saved.
- ready to use, sanded
- 100 % use of material, exact price calculation
- long and wide dimensions

With more than 2000 m3 permanent inventory in Belgium and over 15 years of experience, db hardwoods can guarantee consistent quality and short delivery time.
